EDUCATION:

East West Institute of Technology. (Bengaluru Karnataka)

Bachelor of Engineering (B.E)- *Electronics and Communications Engineering. (2017-2021)*

Sri Chaitanya Techno-School.

Higher Secondary (XII)- *CBSE. (2015-2017)*

Kendriya Vidyalaya No-2

Secondary (X)- *CBSE. (2014-2015)*

TECHNICAL SKILLS:

- Microsoft Power BI
- Tableau
- Microsoft Excel
- Microsoft SQL
- Python
- R Programming Language
- Statistics
- SQL Server and SSMS
- Git and GitHub

PROJECTS:

Unveiling Pizza Sales Insights: 09/2023 Present

- Constructed a Pizza sales analysis dashboard with comprehensive data analysis for 2015, revealing that July had the highest sales, accounting for 9.06% of total sales.
- Performed a series of analyses including data import, data transformation, data modelling, time analysis, and dashboard reporting. The tool used in the project is Power BI and SQL Server (SSMS).

Supermarket Sales Insights: 03/2023 Present

- Performed EDA, Data Cleaning and Feature engineering
- After analysis I have found that 35.99% of sale coming in the month of January.
- Tools- Jupyter Note book and language -python, pandas, seaborn and matplotlib.

Tech-Trend Analysis: 03/2023 Present

- Performed data cleaning and created a pivot table, pivot chart, and dashboard.
- Following the analysis, it's evident that the laptop category contributes to 41.41% of total sales.
- The tool used is Microsoft Excel

CERTIFICATIONS:

- Data Science 10/2022 - Internshala.
- Python for Data Analysis 11/2022 - Great Learning.
- Data Visualization with Power BI 03/2023 - Great Learning.
- SQL for Data Analysis 04/2023 - Great Learning.
- Google Analytics 05/2023 - Great Learning.

SKILLS:

- Developed and implemented key performance indicators (KPIs), reporting platforms, dashboards, and analytical models to ensure efficient business tracking and management.
- Proficient in programming languages, particularly Python, for complex dataset analysis and validation.
- Skilled in query languages such as SQL, including SQL Server Management Studio.
- Solid knowledge in data analytics, statistics and machine learning.
- Familiarity with Agile principles and methodologies for streamlined project execution.

EXTRACURRICULAR:

- 5TH Star on the SQL Badge on Hacker Rank.
- Kaggle contributor.
